26 January 2021

Dear Customer

Please note that as of midday this Friday 29<sup>th</sup> January, the WOF/COF inspection lane will be closed to move from our Branston Road branch to our West Coast Road branch (see below for new location). Normal business hours will resume from 7.00am on Monday 1 February at West Coast Road.

Please note that the Branston Road workshop will continue operating over the next few months.

Our new workshop is located at 357 West Coast Road, Templeton and based in the Dynes Transport building on the left hand side heading west from Yaldhurst.

If any queries, please contact Tania on 03 349 6597, Ext 2 for the Workshop

From TRL Team, Canterbury
